TO THE AMERICAN MEDICAL ASSOCIATION INC.

AUXILIARY HEADQUARTERS — 535 NORTH DEARBORN STREET
CHICAGO 10, ILLINOIS

MARGARET N. WOLFE, Executive Secretary

April 15, 1961

Dear Auxiliary member:

The Woman's Auxiliary has been charged with the most important assignment in its history.

Physicians have asked doctors' wives to assume full responsibility for OPERATION COFFEECUP, an all-out effort to stimulate as many letters as possible to Congress opposing socialized medicine and its menace as proposed in the King bill (HR 4222).

OPERATION COFFEECUP hinges upon use of the enclosed record, "Ronald Reagan Speaks Out Against Socialized Medicine" in informal groups in individual Auxiliary members' homes to stimulate friends and neighbors to write their congressmen.

Instructions for OPERATION COFFEECUP are printed on this record jacket. Informational literature is also enclosed. When you receive this package, don't waste a minute. Follow through with your part in OPERATION COFFEECUP at once. To be most successful, this record must be kept moving.

When you have finished with it, please complete as many of the enclosed report forms as you need and mail them to the Woman's Auxiliary headquarters, 535 N. Dearborn Street, Chicago 10, Ill.

American Medicine has given the Woman's Auxiliary this opportunity to prove its value as helpmates in this vital campaign. Let's demonstrate we can accept this challenge and meet it successfully.

Sincerely,

Mrs. William Mackersie, President

Mrs. Leo Smith, Legislative Chairman

Mrs. James Morrison, Vice Chairman
